

River Oaks Men's Club Member,

Good day to all Men's Club Members, it's time to start thinking about golf in Minnesota this upcoming 2018 season! I hope this letter finds everyone in good health and good spirits despite the nasty winter weather.

Thank you to all for your business over the years, it is greatly appreciated.

Congratulations to the following individual and team 2018 Champions: *Club Champion: Jim Anderson, White Tee Club Champion: Pat McMorrow, King of the Hill Champion: Doyle Stoll, White Tee Season Long Match Play Champion: Tim Dickinson, Season Long 4-Ball Champions: Steve Webb & Todd Neumann*

This is your Men's Club and our staff looks forward to working with all to enhance your fun and friendly competition in golf. I will hold an optional meeting and mixer Friday April 27th at 6:00 to discuss with you: ways to improve the league, grow the league, meet new members, new events and new local rules.

We will have the King of The Hill again in 2018! Points are awarded for how you finish in scheduled Men's Club events and points are doubled in the Club Championship. The top (10) individuals with the most points go to the King of Hill Final, where these (10) play 18 holes and are then broken down to (5) by low net scores. Then a shoot begins for the final (5) for all the *cash!*

We will have some new events on the calendar this year. Again this year, we will do the season long white tee match play and we will do a season long four-ball match play! If there are enough participants, we will do both a Blue Tee match play and 4-Ball as well. White tees are with handicap, blue tees are no handicap. If you don't have a partner, but want to participate in either 4-ball, we will pair you with another member. Cost is \$10/player per event

Annual dues for 2018 will be \$88.00 if paid prior to March 12th, 2018 and \$98.00 after that date (no increase from 2017). There will be a \$6.00 entry fee charge for all events, with optional cash skin games.

Hoping the weather will cooperate this year and we're golfing by early March!
