"I could not have asked for a better venue. The clubhouse and grounds are absolutely gorgeous, and they make it easy for you to go from a romantic ceremony to a rocking reception with no hassle, and for a fantastic price. The food was amazing, and I heard the same opinion from many guests after the event ... The outdoor access is a huge bonus. The whole planning process was very low-stress and easy, and the venue is beautiful, the people are fantastic and it's an absolutely unbeatable value. You will not regret having your wedding here!"

– Jane K.

"We had our wedding here in June and I can't say enough of how well they did. Accommodating before hand for checking setup, meal choice and assuring us an easy day. To the day of, all was set up for our finishing decorations, they had plenty of staff for drinks, dinner and throughout the day and everyone was kind and helpful. The food was delicious and flavorful, so much that many guests commented about how good it was after. The outside pictures turned out beautifully and everyone had a great time with plenty of space. We used the bags and bocce ball areas and our guests enjoyed having more things to do."

– Josey H.

– Raquel S.

"I organized a dinner at the River Oaks Golf Course event center two weeks ago and could not be more pleased with how they handled everything. My dinner was for a nutritional program (Code Red) and we had very specific requests for the meal. The chef worked with us and provided a delicious meal. The events manager was great to work with and kept everything within our budget. And our team lead for the evening took care of every detail, ensuring that our event ran on time all evening, and making it a stress-free evening for me. I would absolutely use this location for future gatherings and cannot recommend them highly enough. Well done and thank you!"

– Jessica C.

"We recently had our wedding at River Oaks Golf Course, and we couldn't be happier with our choice! The venue is absolutely stunning, especially with the new renovations that give it such a fresh, modern look. The entire property was immaculate, from the pristine golf course to the beautifully maintained outdoor areas.

The staff at River Oaks were nothing short of professional and accommodating. From start to finish, they made the entire planning process so smooth and stress-free. On the day of the event, everything was handled with the utmost care, allowing us to relax and enjoy our special day. The bar setup was fantastic—perfectly laid out with plenty of space for all of our guests to mingle and enjoy themselves.

One of the highlights for us was the outdoor area, which featured cozy fire pits and offered so many perfect spots for photos. Our guests loved the atmosphere, and it provided a beautiful backdrop for our memories.

And the food—wow! It was truly next level.

We had high expectations, but the team at River Oaks exceeded them in every way.

The quality, presentation, and taste were all incredible, and our guests are still raving about how great everything was.

We highly recommend River Oaks Golf Course for anyone looking for a beautiful, professional, and well-managed venue. It was the perfect setting for our wedding, and we're so thankful to the entire team for making our day unforgettable!"

– Hunter D.

To quote my big sister: 'The wedding was wonderful – perfect venue, beautiful evening, the food was delicious and the music was great.' You all did a wonderful job planning the event."
